CELEBRATING COMMUNITY

COMMUNITY BEGINS WITH PEOPLE.
CONNECTED TO A PLACE.
AND A VISION.

On Thursday, June 3, 2010 at 5pm, neighbors, business owners and local leaders will celebrate Heartside's newest public gathering space- the pocket park at the corner of South Division and Cherry. The city has aptly designated the space The Barb Pekich Park, in honor of 20 years Rev. Pekich lovingly gave to this community.

Following a dedication by Mayor George Heartwell and the Heartside Downtown Neighborhood Association, we will enjoy an ice cream social and live entertainment.

We look forward to seeing you there!
